

# WEEK WITHOUT DRIVING

September 29-October 5, 2025

#WeekWithoutDriving

## Overview

Week Without Driving helps decision makers and the general public understand the barriers nondrivers face in accessing and moving safely through our communities. The goal is to encourage those who typically drive to experience the challenges non drivers face firsthand and collaborate with them to build more inclusive, accessible communities.

## How do I get involved?

Becoming a local host for Week Without Driving is an powerful way to connect your ongoing efforts to improve transportation options in your community.

When you become a host, you join the **Week Without Driving National Coalition**, a network of local leaders across the country dedicated to advancing transportation options. As part of this coalition, you gain access to a wealth of resources and support, including expert advice and powerful tools.

Ways to host include organizing events, such as walk/roll audits, panel discussions, or partnering with transit agencies. Hosting events is just one way to participate, *it's not required!* You can focus on engagement and spreading awareness by using the provided materials to share information about the barriers nondrivers face.
